ELECTION UPDATE

This is an important election update from CWA Local 9400 Election Committee.

There was an error in the ballots that were mailed out on Friday 10/16/2026.

The error was in the order of appearance of the two candidates running for the office of Sec/ Tres. The two names should be in reverse order.

However, in the interests of equity and unity it has been decided to re-issue new ballots. New ballots will be mailed out with the candidates' names in the correct order.

The new ballots be mailed out to the membership on **11/13/2026**. Counting of ballots will occur on **11/30/2026**.
